

FFFU16F2VV

16 Cu. Ft. Garage Ready Upright Freezer

This Frigidaire 15.5 cubic foot upright freezer includes a superior tight seal that locks in cold air, keeping food frozen for two days if there is a power outage, and the EvenTemp™ Cooling System, which constantly circulates cold air throughout the freezer with smart sensing technology that adjusts air flow to maintain a uniform temperature. The flexible interior organization system enables you to easily organize your family's frozen favorites with four adjustable, metallic wire shelves, deep bottom basket, and five spacious door bins.

Available Colors: Fingerprint-Resistant Stainless Steel Look, White

Version: 03/25

Consumer Benefits

Power Outage Assurance

Keep food frozen for two days if there is a power outage with our superior tight seal that locks in cold air.

EvenTemp™ Cooling System

Prevent warm spots and unwanted freezing with our cooling system that optimizes airflow to ensure a consistent temperature throughout the fresh food and freezer.

Flexible Interior Organization System

Easily organize your family's frozen favorites with our organization system that allows you to make the most of every available square inch of your freezer.

Door Ajar and High Temp Alarm

Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the temperature rises.

Frost-Free Design

Never waste time chipping away ice in your freezer again with our frost-free design that does the work for you.

Floor-Projected Power-On Indicator

Know at a glance that your freezer is keeping your favorites safely frozen and fresh with our power-on indicator light.
